JANUARY 26, 2010

Dear Coach

I hope that my letter finds you in the midst of a very profitable off-season. I am writing to you at this time to inform you of the new items pertaining to our camps this summer and to invite you to once again be a part of the coaching staff at one or more of our camps. Our camp enrollment in 2009 was 3100 campers. In the past year, I have put a significant amount of energy into expanding and improving our football camps. **This year Session 1 and Session 2 of the HS Skills Camp at Franklin will again be an invitation only camp for "Team Groups"**. In addition, Session 5 at Manchester and Session 6 at Anderson will be Full Team Sessions in which we will combine a Skills Camp with a Down and Dirty camp to invite only full teams of at least 35 players. Coaches who desire more info on the format of these three Sessions should call or e-mail me for clarification. I will accept 8 teams at each of these sessions. Call me asap to reserve your spot.

This year we will have four of the *Middle School Sessions* on four different college campuses. We will have a new one in July at the Athletes in Action Retreat and Conference Center in Xenia, Ohio and three others, one in late June (Anderson) and two others in early July in Indiana (Franklin, DePauw).

This summer we will have 2 regular HS Skills Camps at Franklin, College with Mike Leonard and I directing the camps. In addition, a HS Skills Camp will be held at Eureka College in Eureka, Illinois for the fourth year. Jeb Odam the new Head Coach at Taylorville HS will again be directing this session. Last year this session had a 40% increase in enrollment and we are again expecting more that 125 campers.

Again for the 7th year, we will host two BISHOP AND DULLAGHAN "DOWN AND DIRTY LINEMAN" CAMPS for offensive and defensive linemen. **These sessions will be conducted at Anderson University, June 3-5, and a second at Manchester College, June 14-16.** We had 340 linemen last summer at these very intense camps that have received rave reviews from the HS coaches and their players.

Our camp continues to improve itself each year because our staff continues to make suggestions to modernize the presentation and the content of our clinic curriculum. Please fill out the attached form to let me know at which sessions and for what positions you would like to coach. I will try to honor your requested dates and position desires. Please make sure that you give me your E-Mail address also.

**"Please snail mail or e-mail this form to me by April 15."** My e-mail address is [rldhc@comcast.net](mailto:rldhc@comcast.net).

***RETURN ATTACHED FORM TO: DICK DULLAGHAN, 411 CLAYMONT CT., INDPLS, IN 46234***

The final decision on which sessions and what positions you will work, will be determined as our numbers at each camp are finalized. In most cases, you can predict that you will be asked to work the sessions that you request, however, I will write you back in May to specify your exact assignment, based on your availability and our staff needs.

Please try to encourage your middle school coaches to get their players to attend one of the MIDDLE SCHOOL SESSIONS. All campers at this MIDDLE SCHOOL CAMP will learn an offensive as well as a defensive position. Please note also that the MIDDLE SCHOOL SESSION WILL BE ALL POSITIONS for GRADE 6, 7, AND 8.

In addition, you are encouraged to check out our new website [www.bishopdullaghan.com](http://www.bishopdullaghan.com). You are also reminded that this fall as was the case last year, *players can register online for all of the Bishop and Dullaghan Football Camps.*

Sincerely yours

Richard L. Dullaghan  
Camp Director
